Introduction

School Uniform helps provide shared identity, belonging and a sense of community.

Uniforms assist in easily identifying students and adding an additional layer of safety travelling to and from school and when in attendance.

It is an expectation of all students at Pilgrim to wear this uniform with support from parents and caregivers.

- **Summer formal uniform** only in December, January and February.
- **Winter formal uniform** only in June, July and August.
- Choice of full summer or winter formal uniform in other months.
- Please ensure that the summer and winter uniform are not 'mixed' together.

Please ensure all articles of clothing are clearly labelled with your child's name and school.

- When students are not in correct uniform, a note may be sent home asking parents and caregivers to attend to the issue.
- Sports uniforms are to be worn to school two days a week, on the day of a student's Physical Education lesson and a second day nominated by the school. Teachers will inform classes of their days for wearing Sport uniforms.
- Please contact the Leadership Team about general uniform policy issues and persisting difficulties.
